5/14/68

Dear Harold,

I'm sorry, but I have looked all over for your paper and could not find it. I believe you are mistaken about having left it here. I will, however, certainly send it to you if I should find it.

Meanwhile, I am enclosing a copy of the AP "grassy knoll" dispatch of 11/22/63, and I will be sending you a tape of the part relly of the Bringuier article as soon as possible. I believe the article about Kennedy being assassinated during a time of wide policy change was in the paper I gave you because I have been unable to find it. If it is not please let me know and I will get a copy of that too.

Good luck, and I hope to see you again soon.

Sincerely,

Jerry Policoff

P.S. Regards to your wife
